Center Point, - Iowa

FOR 1920

Our illustrated, descriptive

Catalogue

will be sent to all requesting it.

Our nurseries are located on the Burlington Highway, just south of the C. R. I. & P. and the Cedar Valley Interurban stations, so are easily reached by rail or motor car.

All orders are subject to the usual nurseryman's conditions and guarantee of genuineness. (See our Catalogue).

The Entomologist's certificate is attached to all shipments.

TERMS: Our terms are C. O. D. unless otherwise agreed upon. Claims for errors must be made immediately upon receipt of stock.

PRICES: These prices are for stock delivered at the customer's town, in case we are making a delivery there, or elsewhere except in cases where the transportation charges would be a large part of the price of the stock. If discounts are allowed, replacement of stock at one-half price which failed to grow the previous season, or prepaid delivery, or both must be waived.
